

I RELEASES OF LIABILITY

Dear Vintage Race Customer,

We enjoy the vintage racecar preparation and restoration part of our business. We do our best to practice our craft in a reasonable, professional and thorough manner. Racing of any vehicle, especially older "vintage" vehicles, is an inherently dangerous activity. This danger can create liability problems for us, which we must address if we are to continue our vintage activity.

Below you will find a Release of Liability document. Please sign this and have it witnessed by someone over the age of 18, returning the spare signature page to us. Should you have any questions regarding this matter, please do not hesitate to call and we will be happy to discuss them. Should you choose not to sign this release, we cannot continue to work on your vehicle and require that you make other arrangements to have your vehicle(s) serviced.

Sincerely,

Brian Rehtiene

President, Vintage Racing Services

Release 1

RELEASE OF LIABILITY FOR VINTAGE RACING SERVICES, INC.

The use of a motor vehicle on a track is an intrinsically dangerous activity. Older or vintage vehicles are less reliable, more prone to breakage and component failures than new products. In addition, racing is stressful on these vehicles and tends to create breakage.

Vintage Racing Services, Inc., its officers, employees, and agents do their best to execute all vintage race related work in the most thorough professional manner we can. Failures and accidents may still occur as a result of the types of vehicles and the nature of vintage racing. As a condition of ARI providing services on any vintage-racing vehicle, our customers and we must mutually agree on the following:

- A) Vintage Racing Services, Inc., its officers, employees and agents are hereby released from any and all liability, cost or expense (including attorney's fees) resulting from any accident or mechanical failure (a Mishap) involving a vehicle on which we performed services whether or not the cause of the Mishap is determined to be a result of our negligence or lack of due care) and whether the Mishap occurs on a public highway, while trailering, on a racetrack, on private property or in any other location.
- B) Vintage Racing Services, Inc. its officers, employees, and agents are hereby released and held harmless by you, from any liability, cost or expenses (including attorney's fees) resulting from any third party claim related to any Mishap involving a vehicle on which we performed services whether or not the Mishap is determined to be attributable to our work (even if our work is shown to have been executed negligently or with out due care) and whether the Mishap occurred on a public highway, while trailering, on a racetrack, on a private property or in any other location.

In signing this document the customer agrees to the terms and conditions of this document and assumes solely all vintage-racing risks.

I HAVE READ THE FOREGOING AND AGREE TO THE TERMS AND CONDITIONS STATED THEREIN.
